

## **FICCI reacts to GDP shocker**

**New Delhi, February 28, 2013:** Post the presentation of the Union Budget today, the GDP growth figures of a mere 4.5% has placed a greater onus on the government to implement reforms, says **Dr A Didar Singh, Secretary General, FICCI.**

The budget is being seen as growth oriented however with the economy growing at its lowest in a decade, there is an urgent need to ensure that the steps envisaged in the budget are followed through and matched by speedy on-ground implementation of projects and schemes.
