

FICCI comments on the decision of Raghuram Rajan not to seek the 2nd term

New Delhi, 19 June 2016: “Contribution made by RBI governor, Raghuram Rajan is exemplary and has been a huge factor in confidence building at a challenging time in the Indian economy”, **said Mr. Harshavardhan Neotia, President, FICCI.**

“Many structural changes initiated by the RBI Governor be it in banking regulations, monetary policy or exchange rate will have positive impact on the economy going forward and he will always be remembered for his outstanding contribution”, **added Mr. Neotia.**

We are sure Government will soon find an able hand to continue the good work done by the present RBI governor when his term gets over.
