# HOW TO REBOUND STRONGER FROM COVID-19: RESILIENCE IN MANUFACTURING & SUPPLY CHAIN

MAY, 2020

The World Economic Forum, in collaboration with Kearney, recently released a white paper, identifying best responses to the current COVID-19 crisis in the short-term and ideating ways to leverage new business partnerships and public-private cooperation for building resilience across manufacturing and supply systems. More than 400 senior executives of operations and supply chain management were consulted from different industry sectors to reach the outcome.
