Corporate Social Responsibility Award

2011-2012

Acknowledging the Best Corporations.... Businessworld FICCI CSR Award 2011-12

Businessworld FICCI CSR Award is India's most prestigious award in the domain of CSR; instituted by FICCI and Businessworld in the year 1999, almost a decade ago, before CSR became a buzzword. For this, FICCI recognized that CSR would play an increasingly important role in the coming years and hence advocates the need to promote the concept of strategic CSR among Indian corporations as imperative.

The award recognizes and honors companies for their outstanding efforts in integrating and internalizing CSR into their core business operations.

Today, the award is recognized as a benchmark that acknowledges the most socially responsible Indian corporates.
