# FICCI Conference on Quality Practices - QUPRAC 2014

FICCI is holding a Conference on Quality Practices (QUPRAC) in partnership with Planning Commission and India Backbone Implementation Network (IbIn<sup>1</sup>). QUPRAC combines elements of a business seminar with those of a scientific symposium. The emphasis of QUPRAC is on ideas/practices that **enhance collaboration and coordination** amongst stakeholders, and **focus on implementation** in the **government, infrastructure, and social sectors**. Ideas and practices that have actually worked in the field have been sought out for presenting at QUPRAC 2014. Of special interest are ideas that have already been converted into 'teachable' processes for speedy scaling up of proven practices to enhance co-ordination, collaboration and implementation.

QUPRAC 2014 will showcase:	Sectors in Focus
