

India Health & Wellness Week Male Maldives

11th – 16th February, Male, Maldives
Organised by Indian High Commission – Maldives
Supported FICCI – Tamil Nadu State Council

The Indian High Commission Maldives organized the “**India Health and Wellness Week**” at Male, Maldives on 11th to 16th February 2016 to promote Indian Medical Tourism in Maldives which was supported by FICCI – Tamil Nadu State Council.

FICCI TNSC was instrumental in promoting Hospitals from Tamil Nadu to participate in this event, while there were hospitals from other states like Kerala and Karnataka. FICCI – TNSC coordinated the entire participation and was able to get 6 Key hospitals to participate in the event. FICCI enabled the participation of **Apollo Hospitals, Dr. Agarwal Eye Hospitals, Kauvery Hospitals, Life Line Hospital, Rajan Dental Clinic, Meduce and Ganga Hospitals** which was held for the first time.

L-R : Ms. Iruthisham Adam Maldivian Health Minister and **Mr. H E Mr Akilesh Mishra**, High Commissioner of India to Maldives Lighting the traditional lamp to inaugurate the expo.

H E Mr Akilesh Mishra Indian High Commissioner said it gives a great pleasure for India to share the knowledge of its experts with other countries. He pledged India’s continued assistance in improving the Maldives’ health sector.

Ms. Iruthisham Adam Maldivian Health Minister speaking at the expo hailed India’s assistance in improving the Maldives’ health sector, highlighting the fact that most of the foreign doctors in Maldives are Indian nationals. “Holding a health expo in the Maldives, with the participation of major hospitals and specialists, will open new opportunities. It will also help in improving the Maldives’ health sector,” she said.

FICCI – TNSC will be keen to continue participating & prompting such events in the future as Tamil Nadu is well known to be Health Care Hub in India with its quality and affordable medical care.
