INDIA TELECOM 2016

9th International Conference on ICT & Digital Economy

November 1-2, 2016 | FICCI, New Delhi

India Telecom conference 2016 is India's leading international ICT platform for the global community to connect, debate, network and share knowledge. India Telecom is jointly organized by the Department of Telecommunications, Ministry of Communications, Government of India, and Federation of Indian Chambers of Commerce & Industry (FICCI), with support from several prominent industry associations since 2006.

The two day conference will have attendees, which includes Senior Government Officials, Regulator, Industry, Technical Community, Academia and International Experts from across the full spectrum of the ICT eco-system. India Telecom will harness the power of ICTs, exchange ideas, international best practices, examine the future of new technologies and investment opportunities, for driving sustainable growth.
