Dr. V. K. Saraswat, Member - NITI Aayog; and Mr. Adil Zainulbhai, Chairman - Quality Council of India presenting FICCI Quality System Awards in 2015

Introduction

Various recent initiatives by the Government of India have manifested themselves as the "Big Push" to enhance industry's growth. In order to achieve this growth, matching world class standards becomes imperative given a competitive global market. This necessitates employing robust quality systems in order to sustain industry's growth.

Under such context, FICCI presents a forum where experts from the area of quality systems, from varied sectors, would share their best practices and innovative solutions that have ensured excellent customer services and improved overall performance. Experts from various sectors like Automotive, Construction, Engineering, Power, Mining, etc. would present their views.

With its stringent and independent evaluation process, FICCI Quality Systems Excellence Awards for Industry have established credibility in the industry and have grown over the years. This is the 5th edition of the Awards.
