# INDIA & AFRICA: PARTNERS IN GROWTH

*An Exposition on Opportunities and Technologies for Collaboration*

May 22-26, 2017, Mahatma Mandir, Gandhinagar, Gujarat

## On the Occasion of 52nd Annual Meeting of the Board of Governors of the African Development Bank

Hosting for the first time in India  
Annual Meeting of the  
African Development Bank (AfDB)

Organising  
Exhibition alongside  
the Annual Meeting of AfDB

The African Development Bank's Annual Meetings are its largest annual event and its biggest window to the world bringing together a large number of delegates and participants and featuring a number of official, knowledge and other events.

The Meetings represent the definitive forum for representatives of Government, business, civil society and media - from Africa and beyond - to debate the social and economic development of the continent.

FICCI in partnership with the Department of Economic Affairs (DEA), Ministry of Finance, Government of India is organising an exhibition alongside the Annual Meeting of the African Development Bank between May 22-26, 2017 at the Mahatma Mandir in Gandhinagar based on the High 5s/priority sectors defined by the AfDB for Africa.

### EXHIBITION OBJECTIVES

- Showcase the technical capability and relevant technologies of Indian Companies across sectors towards partnering with African countries for their industrial development
- Share with Africa accessible, affordable and adaptable innovations that India can offer to positively impact the African society
- Highlight business opportunities for Indian companies in Africa

### HIGH 5s: FOCUS SECTORS

- Agriculture
- Energy
- Healthcare and Pharmaceuticals
- Infrastructure and Information & Communication Technology
- Innovation & Technology
