

## Seminar on Project Management

27<sup>th</sup> April 2017

FICCI had organized a seminar on Project Management in association with Project Management Association on 27<sup>th</sup> April 2017 . The event saw a participation of about 100 delegates from all industry sectors.

**Mr. Ruban Hobday**, Head, FICCI TNSC welcomed the participants and said that Implementing project management across the organization helps create a

strategic value chain that gives companies an edge on their competitors, particularly in high-risk sectors and markets. Being able to deliver projects on time and within budget often determines whether a company will get the next job or whether its new product hits the market.

**Mr. M. Nandakumar**, Director & COO, EDAC Engineering Limited and Convenor, FICCI TNSC Energy Panel spoke on the importance of project management in today's industry and said that they will enable to create more productivity at the workplace ensuring that organizations achieve their targets on time with accuracy and focus.

**Dr. A. Sivantharu Pillai**, Distinguished Scientist, Founder and Former CEO, Brahmos Aerospace & President, Project Management Associates spoke on a leadership perspective in project management for development of the nation. He reiterated that how long it took to create the Brahmos missile, he said that the common secret behind the success of the Brahmos cruise missile is one and the same project management.

**Mr. T. Sankaralingam**, Former Chairman and Managing Director, NTPC shared his experience in projects at NTPC. He said that when following procedures Project

Management helped them to achieve the target well before the schedule completion date and also reduce on cost involved.
