Inaugural by

Mr. Nitin Gadkari
 Hon'ble Minister for
 Road Transport
 Highways and Shipping
 Government of India

Reminiscences
 of Earlier
 Editions

About India PPP Summit

With a view to discuss the policy issues relating to implementing PPP projects and highlighting investment opportunities for private investors, India PPP Summit was launched in 2012 by FICCI. The first four editions were instrumental in deliberating upon the procedural constraints that adversely impact the time-bound execution of PPP projects. Earlier editions have provided a platform to stakeholders for sharing their views on the Draft National PPP Policy and exchanging their experiences while dealing with different PPP nodal agencies at the Centre and State levels.

The fifth edition of the Summit will be held on 26 July 2017 at Federation House, Tansen Marg, New Delhi. This year, it will provide a platform to elicit stakeholders' views/suggestions for creating an enabling environment for scaling up PPPs. It aims to facilitate a clearer understanding of regulatory environment to foster private investments in infrastructure development via PPP mode through its interactive business sessions, case-studies, presentations and panel discussions.
