Federation of Indian Chambers of Commerce and Industry (FICCI) is organizing India Pavilion at INTERPHEX under the aegis of Market Access Initiative Scheme of Ministry of Commerce and Industry, Government of India scheduled to be held on 17-19 April 2018 at Javits Centre, New York City, USA.

INTERPHEX (International Pharmaceutical Expo), sponsored by PDA (Parenteral Drug Association), is the single source for complete biopharmaceutical manufacturing solutions to safely and cost effectively process all dosage forms for life-enhancing drugs. For 39 years, INTERPHEX is the premier pharmaceutical, biotechnology, and medical device development and manufacturing event where you can “Experience Science through Commercialization. It offers unique combination of exhibition, education, workshops, partnering opportunities, and networking events. It is the only meeting place where Knowledge, Innovation and Technologies intersect with the full spectrum of cutting-edge development and manufacturing services and equipment to create innovative solutions to reduce cost, improve manufacturing and supply chain performance for pharmaceutical, biologics, contract, generic and service provider professionals.

HIGHLIGHTS

- INTERPHEX brings over 10,500 global industry professionals and 625+ suppliers together
- Pre fixed B2B Meetings
- Attendees and Exhibitors from 48 states and 52 countries experienced the latest in technology and leading edge technical conference
