CONVENTION ON BUSINESS OF FOOTBALL

26<sup>th</sup> & 27<sup>th</sup> March 2019

Federation House, Tansen Marg, New Delhi

### Col. Rajyavardhan Singh Rathore

Minister of State (I/C) - Youth Affairs & Sports, Govt. of India

“Indian football will make huge strides in the coming years and The FIFA U-17 World Cup was an eye-opener for all. There is a need for privatization in the sports and more stakeholders to come in”

### Mr. Deepak Jacob, Chairman

FICCI Sports Committee & President  
& General Counsel, STAR India

“The growing popularity of the game provides new and diverse opportunities for entities to grow their presence in football. Stakeholders are beginning to see real value in the sport and for the first time, they see a possible return on the investments made in the football industry. The Federation of Indian Chambers of Commerce & Industry (FICCI) has always stood for, and believed in promoting and providing support to newer industry sectors. Football is seen as a key sector by FICCI and we firmly believe that the future holds great things for the football industry in India”
