

Tamil Nadu State Council

FICCI Tamil Nadu State Council supported by Expovan organized the live webinar on **India's Contribution to the Global Spices and Flavour Market and the Potential Business Opportunities** between **11.00am and 12.30pm** held on **June 22, 2020 (Monday)** wherein around 60 Senior Officers from Agriculture and Food Processing Sector throughout India were participated and benefited.

Dr. M. Madhava Naidu, Head and Senior Principal Scientist, Spices and Flavour Sciences Department, CSIR-Central Food Technological Research Institute, Mysore was the Guest Speaker. He made a detailed presentation on various types of spices and flavours and the value added products from them that could be explored as potential business opportunities. He also briefed about the efforts taken by the scientific community in offering solutions to the businessmen and the support given by the government. **Dr. R. Mahendran**, Chairman, Expovan and Indian Vanilla Initiative, moderated the session and shared his experience of working in Vanilla cultivation for more than three decades.
