

COMPLIANCE CLINIC

KMPs across industries and sectors are confronted with a host of compliance challenges amidst disruption caused by the pandemic. Considering the far-reaching consequences of non-compliance, companies must be mindful of their obligations and take all preparatory steps to ensure timely compliance. In this backdrop, FICCI - Cyril Amarchand Mangaldas & Co. are organizing Compliance Clinic to provide useful and timely guidance on compliance issues and concerns arising from SEBI Regulations and Circulars; Companies Act and Competition Act.
