

National Workshop

on Policies for Indian Mining & Metals Industry

May 29, 2021 (Saturday)

OBJECTIVE OF THE WORKSHOP

In today's times of fast paced developments, both at the industry as well as at the regulatory regime, coupled with globalization, it is essential to widen the knowledge base of individuals. It is important to keep yourself abreast with the latest policies impacting the business environment of mining & metals industry or for that matter the field of metal manufacturing. It is essential for those who are involved in mining operations, metal manufacturing, trading, consultancy, operations, financial management, academics, government liaisoning among others to have in-depth knowledge of the acts, policies & rules concerning the business. This National Policies Training Workshop will provide the knowledge & insights around key policies, rules, duties, rates, taxation, customs etc to the stakeholders of the mining & metals industry to upgrade themselves with the latest regulatory regime, enabling them to perform & execute their duties & responsibilities more diligently, efficiently & effectively.

SESSIONS / POLICIES TO BE COVERED

1. MMDR Act, National Mineral Policy & Rules thereof
2. National Steel Policy & Logistics Policy
3. Foreign Trade Policy (with implications for mining & metals industry)
