### **India-Taiwan Investment Summit**

***“Indian States: An Ideal Investment Destination”***

**22 October, 2021 (Virtual Programme)**

FICCI in partnership with Chinese National Federation of Industries (CNFI) and IDB, Taiwan organised the **India-Taiwan Investment Summit**. This year, the program was organised on a **virtual platform on 22<sup>nd</sup> October 2021**.

**Taiwan is the important investor in India** and has been a strong contributor in the economic growth of various Indian States. Over the years the Summit has become an important institutional mechanism to promote investment opportunities and collaboration between India and Taiwan. One of the primary focus of the Summit was to engage with Taiwanese investors and encourage Taiwanese investment to Indian States. The idea is to discuss further possibilities for investment/business engagements in the areas of **electronics manufacturing, electric vehicles, auto & auto components, ICT, smart cities, green technologies, healthcare, infrastructure, skill development, etc.**

An exclusive session on **“Indian States: An Ideal Investment Destination”** was organised during this forum and the Session had participation from **Karnataka, Telangana, Uttar Pradesh and Andhra Pradesh**.

The Session was Addressed by **Mr Manish Singhal**, Deputy Secretary General, FICCI; **Mr Stanley Wang**, Executive Secretary, IDB, MOEA, Taiwan; **Dr. E.V. Ramana Reddy**, Additional Chief Secretary, Dept. of Industries and Commerce, Government of Karnataka, State Government of Karnataka; **Mr Jayesh Ranjan (IAS)**, Principal Secretary to Government, State Government of Telangana; **Mr Rishirendra Kumar (IAS)**, Special Secretary, IT & Electronics Department, State Government of Uttar Pradesh; **Mr Nanda Kishore Reddy**, Group CEO, APEITA, State Government of Andhra Pradesh.

Key investors from Taiwan representing various important sectors of cooperation between India and Taiwan virtually joined for the annual engagement.
