# 14<sup>TH</sup> FOODWORLD INDIA 2022

**Global Convention For Food Business and Industry**

14<sup>th</sup> September 2022  
The Lalit Hotel, Mumbai, India

## ABOUT EVENT

India being one of the fastest growing economies of the world and with fast evolving business and regulatory environment, the food processing sector has immense potential to offer for growth. While offering aplenty of prospects, India has a bright potential to emerge as an outsourcing hub in forthcoming years. Even the global food processing industry looks at India as a recharged economy, with foreign investors beginning to take notice of India as the land of opportunities.

Given the future growth potential and importance of food processing industry in India's economic and social outlook, it is time to take action to unlock the full potential of the food processing industry with a special focus on export markets. Recognising this, **FICCI is organising the 14th Edition of "FICCI FOODWORLD INDIA" at the Lalit Hotel, Mumbai, Maharashtra, India.** This annual flagship event steered by **FICCI's Food Processing Committee** and over the years it has evolved as an established forum for originating thoughts for policy formulation and a mood reflector of the food processing sector. Since its inception in 2005, every year, FICCI Food Processing Division and CIFTI organize "FICCI FOODWORLD INDIA" with the objective to provide a platform to the industry stakeholder for the discussion on the key policy issues pertaining to the sector and chalking down the roadmap for the growth of the sector.

The knowledge partner for this year's edition is **Boston Consulting Group (BCG)** and a Report on '**Tapping India's Food Processing Potential – A Call to Action**' shall be released during the convention.

## ABOUT FICCI

Established in 1927, FICCI is the largest and oldest apex business organisation in India. Its history is closely interwoven with India's struggle for independence, its industrialization, and its emergence as one of the most rapidly growing global economies.

A non-government, not-for-profit organisation, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry. It serves its members from the Indian private and public corporate sectors and multinational companies, drawing its strength from diverse regional chambers of commerce and industry across states, reaching out to over 2,50,000 companies.

FICCI provides a platform for networking and consensus building within and across sectors and is the first port of call for Indian industry, policy makers and the international business community.
